

Dear Georgianna Oliver,

This Letter is to inform you that ACORN Votes has endorsed you for U.S House of Representatives. We believe that your support for people in the low- to moderate-income communities here in Oklahoma uniquely positions you to address and represent our constituency of everyday ordinary people who strive to do extraordinary things.

Our members are excited to support you and believe that you are committed to representing our issues in this most-important race.

Sincerely,
Patricia Walker
